A photograph of a stone patio area next to a swimming pool. The patio is made of large, light-colored stone tiles. In the background, there are purple flowers in a planter. The pool is visible on the right side of the image, with a small waterfall feature. The text is overlaid on a white semi-transparent box in the center of the image.

Triad Associates, Inc's Project Gallery...

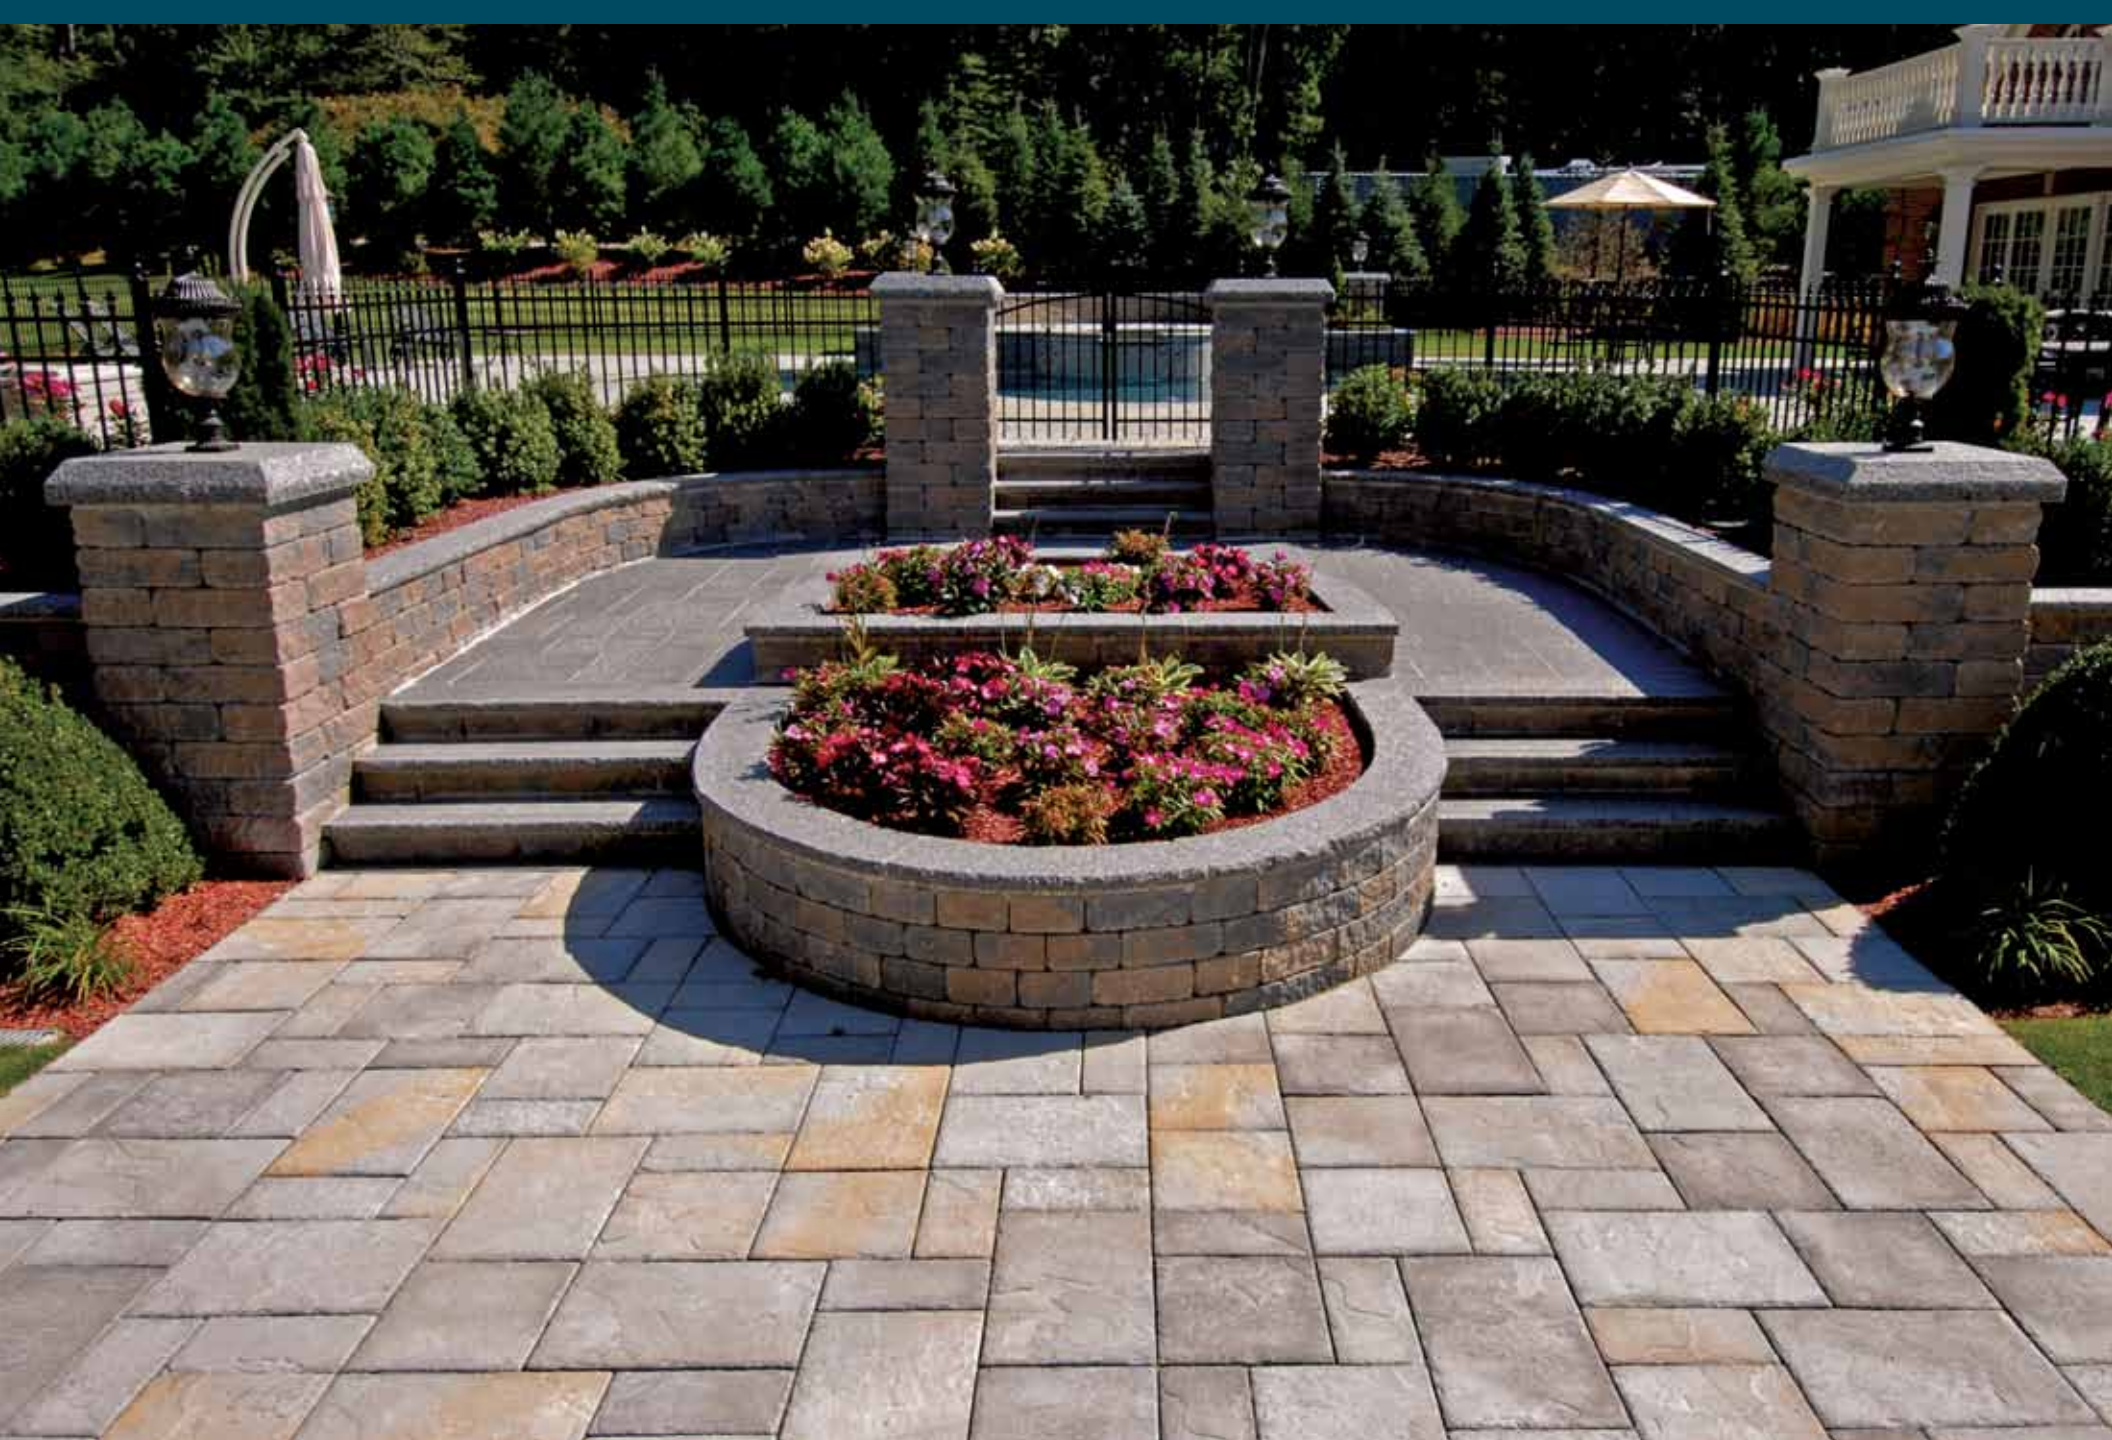

We at Triad have developed this project gallery to showcase some of the finest projects that we have completed over the past 20 years. This book is designed to give you a solid vision of the scope and quality of work that Triad provides. Our talented designers and knowledgeable sales staff will provide you with creative, practical plans and ideas to assist you with making confident, informed decisions. We employ some of the most experienced artisans, all of whom have made Triad the successful company that it is today.

In addition to this publication, we developed an extensive portfolio that our sales staff will share with you when selecting materials and colors for your project.

We are confident that you will see quality and elegance in the following pages and will understand why we are so excited about our product and workmanship.
