# A Message from Triad

As an industry leader with over 37 years in business, we continue to offer our clients exceptional design ideas through an annually updated portfolio. These completed projects provide a springboard for the design possibilities with your outdoor space. We will provide you with all of the information you need to make confident informed decisions. During the process we will help guide you through the design, planning, and execution stages. We have some of the most experienced artisans in the country, all of whom have made Triad the successful company that it is today. We pride ourselves on being with you every step of the way. Our salesmen and foremen are always available to answer any questions you may have. In the end, we are confident that you will have a better understanding why Triad continues to be an industry leader in hardscape design and installation.

**Thank you for choosing Triad.**

John Merck  
President

## KOOL DECK

Kool Deck produces a "Dash Finish" that is ideal for residential and commercial swimming pool decks. Kool Deck is noticeably cooler than broom finish concrete. When applied properly, Kool Deck retains a non-skid quality even when wet.
